Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

See, me and my boo's we got grands to use
With terrible attitudes nigga, who needs you?
Huh, you got your dirty ass feet on my couch
And smokin' motherfuckin' weed in my house

Is you sick yo? I want you to get him and your dogs
To stop grabbin' doorknobs, and hustle and rob
Or job, get tha fuck out of dodge
(You heard that?)
You eat me this evenin', you don't even deserve that

'Cause I'm a bank roll havin' bitch
Mercedes Benz 6- double O havin' bitch, I'm fabulous
And immaculate with nice curves
I game hers for the furs, and the Iceberg

You got nerves, old broke ass, not havin' no doe ass
Slow ass, stayin' on my Porch ass, yo yay your ass
nigga
You fake bitch, you make women hate dick, 'cuz you
ain't shit

Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

You that same old nigga with tha same low figures
'Cept the lies gettin bigga and the sex lacks the vigor
Got used to the quickies, now your ass is just wack
Tryin' to fuck my girl, behind my back, imajin' that

I told her go ahead and try it just for the laughter
Now where feelin' bad for all tha hoes you're goin' after
Looks can be deceivin', and you're poppin' much game
Crib in your moms name, claim of fortune and fame

Dressed in iceberg, sense still attached
Rockin' a gator, fake roly, hollow links to match
I sit back and watch, as you dig yourself deeper
Digits all in your beeper, you want her, better keep her
Last night you was all up in the club, slingin' grips

Slippin' DJ Roslay, givin' dick tips away
Basically, you was holdin' like you just went pro
But little did they know, you was flossin' my doe
No, I got to go, before you 'cause a bitch to flick
From waistline to the bottom, you know niggas ain't shit

Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

You ain't shit to me yo, I'm spendin' grands down in Rio
Manaje in trio, garage like it Ceelo
4-5-6, Range Rove, 4.6 we lay low
While y'all hoes slob dick, you back in ballin' ass

Niggas ain't shit, taste the clit and y'all pussy lickin
'and shit
Wanna go low on me like a basement?
That's why I don't see none of y'all
You better recognize bitch, while I sit in front of y'all
I don't owe you shit, nigga you owe me

I'm 'bout to change the locks, nigga keep the gold key
You better get your shit, take it to your mamy house
I'm 'bout to show you what a bitch from Miami bout
You got me fucked up, nigga ain't no free nut
Unless you comin' VVS marquis cut

Niggas ain't shit, but hoes and tricks

Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run

Niggas ain't shit, but hoes and tricks
Lick tha pearl tongue nigga keep tha dick
Get tha fuck out after I cum
So I can hop in my Coup and make a quick run
