Playa
(Yeah, yeah, yeah)
Yeah
(Yeah, yeah)
Yeah, yeah
(Yeah)

Take me place where I ain't gotta be sexy
Just so I can be considered a lady
Please tell me why the world is so shady, baby

I wanna go to a world where I ain't gotta be a freak ho
Just so I can be noticed by people
Please tell me if you know
Because I wanna go, I wanna go, yeah, yeah

Why is it lately these jealous hoes gotta hate me?
Niggas won't give me no space, they suffocate me
I try to be myself, niggas won't let me
They'd rather sweat me, ice, freeze, and brigit me

But I ain't impressed with your hot car, nigga
I ain't got the lock jaws, I ain't fixin' to drop draws
These niggas chase me like a cop, cop, in and out
The Char' bottle they wanna ball with a hot star

They offer me grands for one night stands
Fuck that one night plan, I'm looking for that one right
man
To save the day, wrap me in his arms, take me away
Late plight till the break in the day, come on

Take me place where I ain't gotta be sexy
Just so I can be considered a lady
Please tell me why the world is so shady, baby

I wanna go to a world where I ain't gotta be a freak ho
Just so I can be noticed by people
Please tell me if you know
Because I wanna go, I wanna go, yeah, yeah

Take me to a place where all my girls on top

Take me to a place where all the Benz's drop top
Take me to a place where I ain't gotta trick for grands
Take me to a place where my friend won't fuck my man

Take me to a place where it's women with no hoes
Take me to a place where the thugs get early parole
Take me to a place where we ball, buying cases
Diamond faces, united with all races

Take me to a place where ain't no chalk traces or court
cases
Or black faces on front pages
Take me to a place where the haters don't hate
Take me away, Lord knows I can't wait, come on

Take me place where I ain't gotta be sexy
Just so I can be considered a lady
Please tell me why the world is so shady, baby

I wanna go to a world where I ain't gotta be a freak ho
Just so I can be noticed by people
Please tell me if you know
Because I wanna go, I wanna go, yeah, yeah

Every day I gotta let it go and spend the money
On the one way ticket to a world where shit is better yo
I be the same but a better ho and do a version of Nann
With Kirk Franklin for the cheddar yo

They'll show my video on VH1, Diva Week
Me, Whitney, then Aretha speak
I be on top of the world and still be a freak
Although I'm doing my thing I see I gotta eat
'Cause where I'm from, life ain't sweet

Take me place where I ain't gotta be sexy
Just so I can be considered a lady
Please tell me why the world is so shady, baby

I wanna go to a world where I ain't gotta be a freak ho
Just so I can be noticed by people
Please tell me if you know
Because I wanna go, I wanna go, yeah, yeah

Take me, take me baby, where I wanna go baby
I don't wanna be a freak ho, no more, more
Take me, take me baby, where I wanna go baby
I don't wanna be a freak ho, no more, more

Take me place where I ain't gotta be sexy
Just so I can be considered a lady

Please tell me why the world is so shady, baby

I wanna go to a world where I ain't gotta be a freak ho
Just so I can be noticed by people
Please tell me if you know
Because I wanna go, I wanna go, yeah, yeah
