Look, boo, what da deal?
You got my cash for you up in here
I know you be packing the steel
But I can't suck a dick
And get my lipstick smeared

Fuck nigga, don't be grabbing my braids
You got some cash then I'm easily persuade
This ass that's all it takes
See I can last all night and all day Miss Trina zem zema

Fuck a Bema, I got me a Benz and some rims
Tinted windows and some tens
I tell you time again, I'm fine enough
To even take your mens look a here

Slim, I swear the South Beach let me speak
For you touch me, you gonna treat
And put some sand tins on my feet
Take me to the beach
Now, crawl up in my wall real deep, oww!

No panties coming off
My love is gonna cost
'Cause ain't no way
That you gonna get up in this for free

No panties coming off
My love is gonna cost
'Cause ain't no way
That you gonna get up in this for free

New Trina

Bitch, you ain't gotta like me

Oh, you his wifey
I think your man like me
He had me in the car
With his hand on my bra
Breathing in my face, saying, "Trina"

I ain't trying a disrespect
I'm just trying to keep you in check
See, I ain't done yet
Shit, I'm the type of chick break
Up happy homes like Trick

So, mo' easy, Joe, you so and so
I'm a superwoman, you don't know
Damn, I look good, talk trash in your hood
And if you, man, want you
Daddy would Misunderstood

Slip and slide, Miss Trina
Been sold out the arena
Like a rock and roll singer
You hate me, you get the finger
All up in my gut playa what

No panties coming off
My love is gonna cost
'Cause ain't no way
That you gonna get up in this for free

No panties coming off
My love is gonna cost
'Cause ain't no way
That you gonna get up in this for free

Hey, playa, what's the word?
Watch my hips, don't you like these curves
I wanna crib in the deep suburbs
Two dogs and a mockingbird

Versae spread on my water
And give me some head, give me some head
Miss Trina likes kicks all red
And I'm the first to say I'm the baddest chick

No panties coming off
My love is gonna cost
'Cause ain't no way
That you gonna get up in this for free

No panties coming off
My love is gonna cost

'Cause ain't no way
That you gonna get up in this for free
