Bathgate, Trina
Come on, yo, yo

Do you see yourself with a rider like me
Coppin' you nice things, Prada and ice blings
Do you want me or a rider that's gon' hold you down,
ma
Bustin' 'em down, ma if you want me

I'll be the first to admit, I'm spoiled rotten
You need twenty G's just to take me shoe shoppin'
I only fuck with real niggas and heavy hitters
That'll fly me to Nassau just for conch fritters

If you want me, you gotta show me
Fly me to the Staples Center to see Jordan play Kobe
G.G. Hunter, Tiffany necklace
Fly me to Paris, just for breakfast

Cavolet Lexus to diamond kisses
His and her Fredrick's on our wristses
If you want me, you gotta treat me special
Every watch that you cop for me, freeze the Bezzle

Every whip that you cop for me, make it a drop
You need a wife in your life and I'm takin' the spot
So if you want me, just let me know
And we can keep it on the low for sho', uh

Do you see yourself with a rider like me
Coppin' you nice things, Prada and ice blings
Do you want me or a rider that's gon' hold you down,
ma
Bustin' 'em down, ma, if you want me

Look, I'll have you in all types of whips's
Fives and sixes, if you want me, I'll be that bitch
That'll hold the steel for you
Gild and kill for you, do you want me?

Yo, lil' mama I got you anything
You can call on Bath

You and your man fight
I'm there with the four-four mag

I'll be your crutch when you need it for slips or falls
And I got paper to take you on trips to malls
Get you Prada till you fall till you tired of rockin' it
Tiffani ain't cold till you tired of coppin' it

Cold compressor, ma, I know you tired of droppin' it
Here's the keys to the truck, 'cause they tired of
watchin' it
I know this world got all types of fools
Every whip with a stash box for the fortunate have-nots

I know you said you can get me the six
With the deep dish buckets but you know me, fuck it
I'd rather have you in my arms to hold on
Slanted out Benz, just getting our roll on

Look, me and you from Harlem to the South, so
Let's Slip 'N Slide, ma and take it to the house, come on

Do you see yourself with a rider like me
Coppin' you nice things, Prada and ice blings
Do you want me or a rider that's gon' hold you down,
ma
Bustin' 'em down, ma, if you want me

Look, I'll have you in all types of whips's
Fives and sixes if you want me, I'll be that bitch
That'll hold the steel for you
Gild and kill for you, do you want me?

If you want me, you gotta wine and dine me
And cop me the biggest diamond you can find me
Some Liberace shit that'll blind me, real shiny
Ten karats or better, nigga you tying me up

Cop me the ice blue Chacarda
Park the Bentley or larger in my front yard
And shoppin' sprees, coppin' Frankie B's
Baby please, I stays wit' major cheese

Give me the extra set of Mercedes keys
Plus the Asti Martin for 80 G's
If you want me, it take a lot of cream, a lot of bling
Boy, I'm 'bout a lot of things, uh

Do you see yourself with a rider like me
Coppin' you nice things, Prada and ice blings
Do you want me or a rider that's gon' hold you down,

ma
Bustin' 'em down, ma, if you want me

Look, I'll have you in all types of whips's
Fives and sixes if you want me, I'll be that bitch
That'll hold the steel for you
Gild and kill for you, do you want me?

Do you see yourself with a rider like me
Coppin' you nice things, Prada and ice blings
Do you want me or a rider that's gon' hold you down,
ma
Bustin' 'em down, ma, if you want me

Look, I'll have you in all types of whips's
Fives and sixes if you want me, I'll be that bitch
That'll hold the steel for you
Gild and kill for you, do you want me?
