i like to be in america  
ok by me in america  
everything free in america  
for a small fee in america

i like the city of san juan  
i know a boat you can get on  
hundreds of flowers in full bloom  
hundreds of people in each room

automobile in america  
chromium steel in america  
wire spoke wheel in america  
very big deal in america

i'll drive a buick in san juan -  
if there's a road you can drive on  
i'll give my cousins a free ride -  
how you fit all of them inside

immigrant goes to america  
many helloes in america  
nobody knows in america  
puerto rico's in america

when i will go back to san juan -  
when will you shut up and get gone  
i'll give them new washing machine -  
what have they got there to keep clean

i like the shores of america  
comfort is yours in america  
knobs on the doors in america  
wall to wall floors in america

i'll bring a tv to san juan -  
if there's a current to turn on  
everyone there will give big cheer -  
everyone there will have moved here
