I see a house  
I see a light  
I see a little chair set just right  
I look around me, I take it all in  
Then I start to look again  
I try to find you, see you in my life  
Try to put you in my chair, see you in my light  
Somehow it fades and it dims in my sight  
Where am I gonna put you in my life  
Not as I planned and not as you see  
The things we are, are things we can be  
Waivering left, and I'm waivering right  
Well I'm losing strength and I don't want to fight  
I try to find you, see you in my life  
Try to put you in my chair, see you in my light  
Somehow it fades and it dims in my sight  
Where am I gonna put you in my life  
Do I set you on a pillow or hold you in the air  
Do I put you on a shelf and dust you with care  
Do I hide you in a closet or shut you in a drawer  
I really don't know what to do anymore  
I try to find you see you in my life  
Try to put you in my chair see you in my light  
Somehow it fades and it dims in my sight  
Where am I gonna put you in my  
Where am I gonna put you in my  
Where am I gonna put you in my life
