I'm going to Kansas City, Kansas City here I come.  
I'm going to Kansas City, Kansas City here I come.  
They got some crazy little women there  
And I'm gonna get me one.

I'm gonna be standing on the corner, Twelfth Street  
and Vine.  
I'm gonna be standing on the corner, Twelfth Street  
and Vine  
With my Kansas City baby and my bottle  
Of Kansas City wine.

Well, I might take a train, might take a plane,  
But if I have to walk,  
I'm gonna fly there just the same.  
Yeaaaah, Kansas City here I come.  
They got some crazy little women there  
And I'm gonna get me one.

Well, if I don't leave that woman I know I'm gonna die.  
Got to find a brand new baby and heres the reason  
why:  
Ya, ya, ya-eeeeee eee, Kansas City here I come.  
They got some crazy little women there  
And I'm gonna get me one.  
Ah - right.

Might take a train, might take a plane,  
But if I have to walk,  
I'm gonna fly there just the same.  
Yeaaaah, Kansas City here I come.  
They got some crazy little women there  
And I'm gonna get me one.

If I don't leave that woman, know I'm gonna die.  
Got to find a brand new baby and that's the reason  
why:  
Ya, ya ya-eeeeee eee, Kansas City here I come.  
They got some crazy little women there  
And I'm gonna get me one.  
Yeah, yeah,

They got some crazy little women there  
And I'm gonna get me one.

They got some crazy little women there  
And I'm gonna get me one.
