"Second Thought To Why"

Visit "[Second Thought To Why](#)" on MotoLyrics.com

How can you tell when somebody loves you?
How can you tell if they'll even try?
How do you know what's in a hand hold
Or even in a kiss goodbye?

I remember the day I first met you
The way you looked me in the eye
I felt that heat move right through me
I never gave a second thought to why

Life has so many reasons
Life has so many rhymes
But life has not prepared me
On how to get on through these times

I feel you twisting me, I pull you to me
A sudden tear appears in my eye
What is it that you do to me
I can't even question why
