The way that you are
Certainly could be
Perfectly the perfect thing for me
My superhero
Guardian angel
I love it and I'd never change you

You don't have to drive a fancy car
Or be a movie star
I like you as you are
You don't have to save the world
Not ordinary, extraordinary
And that's why I'm yours
You don't have to save the world

I'd never change or rearrange
Anything about you
Promise you'll stay the same
Coz what you are is what I need
Everything I could ever dream of
Why would I ever fight
Something that just feels so right
When I know you're my perfect type

You don't have to drive a fancy car
Or be a movie star
I like you as you are
You don't have to save the world
Not ordinary, extraordinary
And that's why I'm yours
You don't have to save the world

All that I could hope for and so much more
You are to me
Everything and many other things that I dream of

Is you [x4]

You don't have to drive a fancy car
Or be a movie star
I like you as you are
You don't have to save the world

Not ordinary, extraordinary
And that's why I'm yours
You don't have to save the world

You don't have to drive a fancy car
Or be a movie star
I like you as you are
You don't have to save the world
Not ordinary, extraordinary
And that's why I'm yours
You don't have to save the world
