Yeah

Here we go again

Here we go again

Here we go again

I'm a snitch ain't ashamed of that

I'm a snitch ain't ashamed of that

I'm a snitch ain't ashamed of that

OK

It's T Lee and I'm back with a fresh flow

Even though I ain't really left though

Listen in close, this is one ain't a threat bro (No)

I'm just tryna help you move like the metro (let's go)

The worst snitch don't cut it on the block

Ain't tal'in bout them dudes that be runnin from cops

Ain't tal'in bout them dudes that's pitchin that D

Not you, not me, I'm snitchin on me

Familiar with the fact that I'm wicked

Born with sin from the beginning I lived in defeat

Can't sin n hide em in the back just to creep

I'm frontin stuff pullin covers up like a sheet

I love Christ, I don't wanna let me sense lie

But it's hard not to keep it on the inside

Can't stray and start livin for me

Livin foul man I gotta blow the whistle on me

No matter I don't wanna see no trash

So I'm a put me on blast

Godliness I wanna see so bad

That I'm willin to put me on blast

I'm a snitch man, I'm a snitch

I'm a snitch man, I'm a snitch

I'm a snitch man, I'm a snitch

I'm a snitch man, I'm a snitch

Trip Lizzard and I'm back on the verse 2

Sin ain't a game look man it'll murk you

Ever since the fallen of the first two

But I can't perform no more no need for rehearsal

Y'all know how we like to do though

Frontin' like everything's nice when you know

You fallen real short of the life you shoot fo
We like kudos we don't like rebuke though
Now you gotta stop and ask
Do you hate sin and the life it has
Or do you wanna paint it like you got this sin
You stop it puttin all your stock in trash
I wish I could say that I'm always at my peak
But I would be lyin, sometimes I'd rather sneak
Since this sin'll be a pest of my soul till death
I'm a always be a snitch till I'm thrown to rest

No matter I don't wanna see no trash
So I'm a put me on blast
Godliness I wanna see so bad
That I'm willin to put me on blast
I'm a snitch man, I'm a snitch
I'm a snitch man, I'm a snitch
I'm a snitch man, I'm a snitch
I'm a snitch man, I'm a snitch

If you hate yo sin you can play this song
Hate yo sin you just say this homes
I'm a snitch, ain't ashamed of that
I'm a snitch, ain't ashamed of that
If you hate yo sin you can play this song
Hate yo sin you just say this homes
I'm a snitch, ain't ashamed of that

Young Trip L and I'm back with a verse 3
Sin ain't my friend in fact it'll hurt me
Praise God for His Word that alerts me
If I confess my sin then I obtain mercy
Proverbs 28: 13, James 5: 16 He'll turn me
I used to hide all the time till it burned me
Now I confess to the Lord it's the first thing
Then I confess to my fam that I walk with
Every nook and cranny, have I lost it? (nope)
I just wanna live in light of what the cross did
Ain't just tryna look Christ like I'm tryna walk this
I ain't gotta prove that my works are the best (why?)
If it was up to me and my works I'd be stressed
But Christ already did the work with His death
I repent by faith in His works, I'm a mess

No matter I don't wanna see no trash
So I'm a put me on blast
Godliness I wanna see so bad
That I'm willin to put me on blast
I'm a snitch man, I'm a snitch
I'm a snitch man, I'm a snitch
I'm a snitch man, I'm a snitch

I'm a snitch man, I'm a snitch

If you hate yo sin you can play this song
Hate yo sin you just say this homes
I'm a snitch, ain't ashamed of that
I'm a snitch, ain't ashamed of that
If you hate yo sin you can play this song
Hate yo sin you just say this homes
I'm a snitch, ain't ashamed of that
