Cos she's the best I never, best I never had

David:

Sexy, lights low,  
Everybody looking as she's running the show  
Tight moves, right curves,  
Gotta get me closer to her  
5'9, looks fine,  
Thinking bout drinking me a bottle of wine,  
To calm down, step back,  
This girls going off the track

Bridge:

What I do to make her mine  
Ohh, any little thing to spend some time  
Imaginations' running wild  
Im going crazy, baby

Chorus: (all)

She's so sexy I've been fantasizing  
She be getting down with me in my reality  
She got me vibing, im rising, its hypnotising,  
Wish she knew I got it bad  
Cos she the best I never, the best I never had, yeah  
yeah

Sparx:

Classy, cool breeze,  
I can't talk, I can't walk, I just freeze  
I'm willing and able they're telling me she's  
untouchable  
But I'm, not that type of guy to just hold it back  
My inhibitions they aint making my decisions  
So I can't let it go, no

Bridge:

What I do to make her mine  
Ohh, any little thing to spend some time  
Imaginations' running wild  
Yeah, yeah, yeah

Chorus: (all)

She's so sexy I've been fantasizing  
She be getting down with me in my reality  
She got me vibing, im rising, its hypnotising,  
Wish she knew I got it bad  
She's the best I never, the best I never had

Justin:

You're the only one I see, baby
