On behalf of all the geeks  
I'd just like to say  
I've been telling you all along  
That 'Lord of the Rings' was cool

I told you so many times  
(He told you!)  
I told you so many ways!  
(Yes, he told you!)  
I wore a cloak to school  
Well, who's laughing now?  
(Ha ha ha ha ha)

Now you'll all do as I did  
You'll name your first child 'Bilbo'

Now you'll all do as I did  
You'll do a short course in fletchery  
That's arrow manufacture, you amateurs!

But, don't try and catch up now!  
It's too late to make amends!  
You were far too busy with girls and cars and sports  
And ... friends
