I'm trying to impress the bargirl, by seeing how drunk I  
can get

The drunker I get  
The more impressed she seems. (It's a perfect plan)

I'm trying to impress the bargirl, by seeing how drunk I

The bouncers watch me intently  
I suppose they're just jealous of me  
Because I'm so funny

She's going a little bit blurry  
Something is coming towards me  
I think I'm about to be kissed  
No, that's just a fist ...
