So Sweet to me, so sweet,
But this means nothing to the circumstances I'm in and
out
Ready to fall, ready to call
The last sirens in life, you know
I felt fucking uncomfortable
Alone, so alone with anyone
So alone with everyone
So damn depressed with anything
I felt like shit and piss
Dirt
Fuck
I'm with you boys and girls
So sweet, so sweet to me
These pills

So alone, so sweet, I'm with you
I'm feeling like I'm with you
Hold this feeling, hold this and I will show you how to
choke
Let me choke, swallow, boys, girls, pills, nothing, feel
nothing, but love
Disappearing, always loosing, always dissappear
I feel the fuck out here, always loosing, always
disappear
I Feel the fuck out of here

I can't stand it no more, I'm not the one
I'm not the one
I'm not the one
I can't stand it
I can't stand it
I can't stand it no more and I don't care
I'm not the one and I can't stand it no more

Boys and girls and pills
Boys and girls and pills
Boys and girls and pills
Boys, girls, pills
I don't care
