Empty inside  
Empty inside  
Scared and alone  
So far from home  
Lonely and tired

(Empty inside)  
No place to go  
No place to hide  
All you got left is  
Your will to survive

Empty inside

What have you found?  
Won't you give it a try?  
Is it someone to love?  
Is it something to fill the  
Empty inside?

Still got your pride  
Better run for your life  
You're scared and alone  
You run on your own  
Shakin' down to the bone  
Down to the bone  
Down to the bone

(Empty inside)

Still got your pride  
Better run for your life  
You're scared and alone  
You run on your own  
Shakin' down to the bone  
Down to the bone  
Down to the bone

(Empty inside)  
Empty inside  
(Empty inside)

Empty inside  
Empty inside  
Empty inside  
Empty inside
