CHORUS:

It's a hard road  
A hard road to follow  
It's a hard road,  
It's the highway to tomorrow

Hey you, man, what do you know?  
It's not so easy on the lonely road  
Hey man, where do I go?  
Nothin' to win, and nothin' to show

CHORUS

Hey you, human sacrifice,  
You paid the road, was it worth the price?  
It takes, it takes, it doesn't ask twice  
You could win the world,  
You could lose your life

CHORUS

You waste each precious moment  
Chasing rainbows in the sky  
The road lies there before you  
Are you afraid to try?

You're so clever,  
You're so cool  
But you're just another number  
Just another fool  
How you thirst for sweet revenge  
But you're the loser in the end

CHORUS

And when it's said and done And the hard road claims  
you  
Even though it won  
No one really blames you  
The truth gets lost  
But the legend will grow

Yesterday's victim...tomorrow's hero
