We're sending out the invitation  
Come and join the celebration  
This old town is up to something  
Everybody's really jumpin'  
Rock 'n' roll is dynamite

WE GOT A HOT TIME IN THIS CITY TONIGHT

Rock me baby like a long lost friend  
Then roll me over and do it again  
I'm so high I'm on the ceiling  
Everybody's got the feeling  
The music's like pure dynamite

WE GOT A HOT TIME IN THIS CITY TONIGHT

Ladies and gentlemen lend me an ear  
I got the news that you been waitin' to hear  
It's no trick, it's a rock 'n' roll treat  
The heavy metal kids're dancin' in the street  
This whole town is really havin' a ball  
Even got 'em rockin' down at City Hall  
I never ever seen such a beautiful sight

WE GOT A HOT TIME IN THIS CITY TONIGHT

Hard rock rhythm is in your soul  
Baby let the good times roll  
The neighbors wanna call the cops  
But the party's never gonna stop  
Everything is gonna be alright

WE GOT A HOT TIME IN THIS CITY TONIGHT
