"Take A Stand"

Time is runnin' out
Hear it tickin' away
Future's closin' in
No reason to delay
Break the chains that hold you down, my friend
Don't wait any longer
Find the answers deep inside yourself
They're makin' you stronger

CHORUS:

Take a stand
In the light
It'll be all right tonight
Fire it up
Burn it bright
We can never give up the fight
We can make it all right
We can make it all right, all right tonight

Clouds all rollin' in
Hear the thunder in the distance
Lightnin' strikin' all around me
Breaks my resistance
The walls are crashin' in, the storm begins to
Tear down the system
The house is comin' down, it's all around
It's high time we listened

CHORUS
