"Can't Keep It In"

Visit "[Can't Keep It In](#)" on MotoLyrics.com

This is the moment
Where it begins
You pull me closer
under my skin

I don't wanna have fate

This is temptation
And this is the sin
It's growing inside me
I can't keep, I can't keep it in

So break me open
Like a room you walk in
And take me over
Around you and with me

I can't keep

I can't keep

Around you

I can't keep

Around you and with me

This is temptation
And this is the sin
Its growing inside me
I can't keep, I can't keep it in

So break me open
Like a room you walk in
And take me over
Around you and with me
