"Daybreak"

Don't close your eyes
You're gonna wanna see this
I promise
We've been waiting
My darling

This endless night
Transcending weaving
Across this space
Is finally fading into light

Oh, now baby
Oh, now baby

Don't deny the daybreak in you

Don't be so shy
You're gonna wanna feel this
I promise
Life could end this very moment

Let's touch the dawn
It's not that far
Reach out with me
And we'll take it all
This journey's more than ordinary

Don't deny the daybreak in you
