My smile,
My devotion;
Beautiful struggle,
To break free.

Desire, keeps it,
Keeps it,
Keeps me burning,
Dont take the pain away.

See inside the depths,
When we let it fall apart;
Read between the many faces,
Glowing in our hearts.

Hey, hey,
Believe we'll lead to motion;
Stay, stay,
Seek redemption in this day.

Dont cry for what we've done..
Just look into the sun
Just look into the sun.
Dont cry for what we've done..
Just look into the sun
Just look into the sun.
Dont cry for what we've done..
Just look into the sun
Just look into the sun.
Dont cry for what we've done..

I am trying,
Though it blinds me;
Just to stare at the invincible sun..

No more fighting,
Let it guide me;
Morning comes with the invincible sun..

Hey, hey,
Believe we'll lead to motion;

Stay, stay,
Seek redemption in this day.

Dont cry for what we've done..
Just look into the sun
Just look into the sun.
Dont cry for what we've done..
Just look into the sun
Just look into the sun.
Dont cry for what we've done..
Just look into the sun
Just look into the sun.
Dont cry for what we've done..
Just look into the sun
Just look into the sun.
Dont cry for what we've done..
