She took a breath
In hopes of saying nothing
He asked her what she came here for
Having touched his face
And waking dreams
She said I had to see you
I had to see you
I had to feel

I had to feel
So kiss me here
I had to feel
So kiss me here
So kiss me here

Kiss me here
We?ll say goodbye tomorrow
So kiss me here
All you have to do is follow
So kiss me here

Love is blinding teasing reason
Like the wind in my hair
So kiss me here

I had to feel
I had to feel
Kiss me here
Kiss me here

Kiss me here
We?ll say goodbye tomorrow
So kiss me here
All you have to do is follow
So kiss me here

I had to feel
So kiss me here
So kiss me here
I had to feel
