Try to look away

Move up, step down
In a gaze, lock eyes
Tryin to look away
I'm spellbound

Your hands, my waist
No thoughts, just taste
'Cause it's a very sweet sound

Give me your hand
And I'll guide it through
Take home with me
Beyond the groove

Let's pretend that there's no one around

No second thoughts
C'mon let's go
(Give me your hand)

Try to look away

Move up, step down
In a gaze, lock eyes
Tryin to look away
I'm spellbound

Your hands, my thighs
No thoughts, just sighs
Let's pretend that there's no one around

Give me your hand
And I'll guide it through
Take home with me
Beyond the groove

Let's pretend that there's no one around

(Give me your hand)

No second thoughts
C'mon let's go
