"Walk With Me"

Visit "[Walk With Me](#)" on MotoLyrics.com

May I walk with you?
Can you show me how?
I can see your face, becoming
So much clearer to me now

Take my heart and hold it
We've got nothing to do but leave
Hold my heart forever
Knowing now we have eternity together

Will you walk with me?
I can show you how
Just hold my hand
So much light inside we can't come down

Take my heart and hold it
We've got nothing to do but leave
Hold my heart forever
Knowing now we have eternity together

Losing myself in dreams of you
Never forgetting that you want me too
We won't get off until this crazy ride over
I hope it never ends

Take my heart and hold it
We've got nothing to do but leave
Hold my heart forever
Knowing now we have eternity together
