Retribution for the infidels
Executed by TrollSyndicate
Syndicate equals redemption

Doctrines of present morals, of present humans
Future is our past, as all will be erased
Gently the Syndicate overtakes the system
Labyrinth is closing, open the door to the other
existence

Beware! Syndicate is behind the moon
It will twine around you
Run and hide, cry and whine,
Cause the Trolls will hunt you down

Mankind will collapse to feet of the Syndicate
World is undergoing a complete transformation
Mesmerized by a Troll-Merry-Go-Around
Syndicate is anomaly in humanity
A fraction in your mirror, shattered your glass icons
Superstar, supernova, consciousness fades away
A fraction in your mirror, shattered your glass icons
Superstar, supernova, consciousness fades away

Redeemer - Ordo Mortis
Syndicate Ordo Vita
Live your life
For me

When seek for salvation, you seek for the end
Conquer life with poison and knife,
Cause your life seems so distant when light fades away
Ease your pain and join Syndicate

Look!Syndicate Deathtroops
Feathers flying after a shotgun blast
Run and hide, cry and whine
Soon the Trolls will hunt you down

Mankind will collapse to feet of the Syndicate
World is undergoing a complete transformation

Mesmerized by a Troll-Merry-Go-Around
Syndicate is anomaly in humanity
A fraction in your mirror, shattered your glass icons
Superstar, supernova, consciousness fades away
A fraction in your mirror, shattered your glass icons
Superstar, supernova, consciousness fades away
