I've seen it many times before  
I've seen it falling from the sky  
Like a swarm of vultures they come  
Those NuklearAngels from Hell  
Sound of siren, song of Death  
Ocean of fire... follow me!

I am the misanthrope, the one who sows the seeds  
I am the harvester, who collects the crops

Humans, your destiny is here  
Repent, and Syndicate will have mercy (will it??)  
Brothers, Trolls, our time has come  
To nuke the holy trinity!

When you are falling  
Even the clouds flee from the sky  
Brothers, Trolls, Syndicate  
Scientists of Trollgeddon

We blow away so called human-race  
We do it for a better future...  
NuklearAngels, CrystalAngels...  
Bring Mushroomclouds to me!

A pillar of clouds is rising!  
Syndicate brings the final day.  
Radiation levels are rising!  
Syndicate brings salvation.

You will see! It will be. Our kingdom. Almighty and  
powerful  
Dawn of man. Part of our plan. How the flesh burns!  
End of the plastik worms!

End of one human era.  
Conquerors? Yes we are.  
Hypocrites deluding  
Mushroomcloud diffusing

I am the misanthrope, the one who sows the seeds  
I am the harvester, who collects the crops

Humans, your destiny is here  
Repent, and Syndicate will have mercy(will it??)  
Brothers, Trolls, our time has come  
To nuke the holy trinity!

Like a awarm of vultures they come  
Those NuklearAngels from Hell  
Sound of siren, song of Death  
Ocean of fire... follow me!
