Ooooooooooooooh....heeeeeyyy...

i can't wait to get to school each day
and wait for you to pass my way
and bells start to ring
and angels start to sing:
"hey that's the girl for you
so what are ya gonna do?"
hey little girl!!!
I LOVE YOU !!! (i love you so...)

CHORUS:

All i do is think of you
day and night (day and night that's all i do)
i can't get you off my mind
thinking back (all the time)
all the time

i begin to take the long way home
just so i can be alone
to think of how to say:
my heart's here to stay
(hey i'm in love with you
i think the world of you)
so won't you please...PLEASE be mine?
(oh please be mine mine mine)

CHORUS(2):

all i do is think of you (baby)
day and night (day and night that's all i do)
