Oh my darlin'
Where have you been
I sure have missed ya
Glad you're home again

Oh good gracious
Why'd you go away
I got sick when you left me
I'll get better if you stay
I just about went crazy
Wonderin' where you were
Uh ... uh ... uh ...

All of the time (all of the time)
All of the time
I'm gonna love ya
All of the time
I said I need ya
All of the time
I'm gonna love ya
All of the time
All of the time
Yeah, I said

Oh my darlin'
So glad you're home
I just went crazy
Here all alone

Oh my, my
Sweet little thing
I'm not gonna let ya
Slip away again
I'll wrap you in my lovin' arms
And chain ya to the wall
Uh ... uh ... uh ...

All of the time (all of the time)
All of the time
I'm gonna love ya
All of the time

I said I need ya
All of the time
I'm gonna love ya
All of the time
Yeah, yeah ...

Oh my darlin'
Where have you been
I sure have missed ya
Glad you're home again

Oh good gracious
Why'd you go away
I got sick when you left me
I'll get better if you stay
I just about went crazy
Wonderin' where you were

Uh ... uh ... uh ...
All of the time (all of the time)
All of the time
I'm gonna love ya
All of the time
I said I need ya
All of the time
I'm gonna love ya
All of the time
All of the time
All of the time ...
