Maybe you feel fine
Right now
Ain't ya got no heart
What's wrong with you

It's a hit and run
You left me reeling
Ain't ya got no feelin'
Doncha feel nothin' at all

Any minute now
Any minute now
Any minute now
You're gonna be sorry

It's not fair
What ya done to me
Doncha feel bad
Doncha feel a little pain

It's just a matter of time
It's comin'
Pretty soon you're gonna feel
Just as bad as me

Any minute now
Any minute now
Any minute now
You're gonna be sorry

I can't believe it
How can I trust anybody again
You took what you needed
And left me nothin' at all

And now you're acting
Like we're the best of friends
Didn't no one ever tell you
It don't work that way
It don't work that way ...

Any minute now
Any minute now
Any minute now
You're gonna be sorry ...
