I got too much trouble today  
Reality crashin' down  
And it's too late to stop I can't run away  
So what do I do now

What do you want from me  
My time, my money or my heart  
'Cause you don't get nothin' for free  
And it's pullin' me apart  
But I don't feel like dancin'  
Don't feel like playin' the game today  
I don't feel like dancin'

The line of least resistance  
Is a tightrope today  
And I don't wanna walk it  
Don't wanna talk 'cause I got nothin' to say

What do you want from me  
My time, my money or my heart  
'Cause you don't get nothin' for free  
And it's pullin' me apart  
But I don't feel like dancin'  
Don't feel like playin' the game today

And I feel  
Like I need to get away  
Don't wanna play  
It's too real today  
It's too real, it's too real ...

The line of least resistance  
Is a tightrope today  
And I don't wanna walk it  
Don't wanna talk 'cause I got nothin' to say

What do you want from me  
My time, my money or my heart  
'Cause you don't get nothin' for free  
And it's pullin' me apart  
It's too real

Don't wanna deal with it  
Can't do the shuffle but I  
Don't feel like dancin'  
I don't feel like dancin' ...
