Well it's good to see ya, Eddy
How you doin', where ya been
We'll find you a place in the thick of it
So sit back, and drink it in

And maybe we'll go out later
Eat some pizza, drink some beers
And talk about Mr. Nixon
It's good to see ya here

Eddy takes it easy
He takes it while he can
Eddy takes it easy
He's a first class drinkin'
A first class drinkin' man

Well, I met you at a party
We were drinking dollar wine
You just sat there grinnin'
Like you were having a real good time

Well you moved down to the city
And I see you now and then
Sometimes you're the star of the party
Other times you just drink it in

Eddy takes it easy
He takes it while he can
Eddy takes it easy
He's a first class drinkin'
A first class drinkin' man
Eddy takes it easy ...
