There you go
Ain't it the same old story
Start out as friends
Winds up differently

And you know
Nobody's saying sorry
It's too late for talking
You pay the price for walking

Oh... go ahead and sue me
Oh... go ahead and put it to me

I'm not your friend anymore
Take what you want and close the door
You ain't my friend anymore
So go ahead and sue me

I hear you say Things shouldn't be this way
The power to change things
Is in your hand
Nowadays I guess you've got to pay to play
And so much for friends
If this is how it ends

Oh... go ahead and sue me
Oh... go ahead and put it to me

I'm not your friend anymore
Take what you want and close the door
You ain't my friend anymore
So go ahead and sue me

Oh... go ahead and sue me
Oh... go ahead and screw me

I'm not your friend anymore
Take what you want and close the door
You ain't my friend anymore
So go ahead and sue me
