Up against the door
Sheltered from the rain
She's the only one he'll ever want
She'll never feel this way again
Kids in love

Kids in love
Leave them alone
Kids in love

He's in love with her
She loves him too
It's the only thing they've ever learned
That they know for sure is true
Kids in love

Kids in love
Leave them alone
Kids in love

Together forever
This is too real to fade away
Maybe we'll get older
Maybe we'll get smarter
But we won't love harder
Than we do today

Kids in love

Never another
Sweeter than you
Maybe we'll get older
Maybe we'll get smarter
But we won't love harder
Than we do today
Kids in love

Kids in love
Leave them alone
Kids in love ...
