Pretty lady  
Here I am  
With my heart on my sleeve  
Hat in my hand

You said you could help me  
Help me now  
Change my life  
Please show me how

A face of clay  
And yet so warm  
I feel like I've weathered  
Eternal storm

You said you could help me  
Help me now  
Change my life  
Please show me how

Pretty lady ...  
Pretty lady  
Here I am  
With my heart on my sleeve  
Hat in hand

You said you could help me  
Help me now  
Change my life  
Please show me how

Pretty lady ...
