Hello Operator, get me Ottawa on the line  
They've got lots of money there  
Make the call collect this time  
Well let's find me a millionaire

Who'll send me 'bout a hundred grand  
Well, I'm a little short of cash  
I could sure use a helping hand

Send it to me right away  
You could make it C.O.D.  
Well, I don't mind as long as all the cash involved is  
comin' to me  
If you wanna send me more, I could always use a  
bigger pile  
But \$100,000 should hold me for a little while

A hundred thousand dollars  
A hundred thousand dollars  
A hundred thousand dollars  
Should hold me for a little while

Well, I don't wanna be greedy but we're livin' in a very  
hard time  
And if I don't get some money I'll be forced to lead a  
life of crime  
I haven't worked it out exactly but I think a hundred  
grand will do  
It outta do the job, give or take a buck or two

A hundred thousand dollars  
A hundred thousand dollars  
A hundred thousand dollars  
Give or take a buck or two  
A buck or two

A hundred thousand dollars  
A hundred thousand dollars  
A hundred thousand dollars  
Should hold me for a little while

Two hundred thousand dollars  
Five hundred thousand dollars  
Should hold me for a little while
