She's not a modern girl
She's not a woman of the world
She's got a pretty face
She knows her place

She's an old fashion girl

She don't need to wiggle when she walks
She don't need to giggle when she talks
She don't know that she don't need to be what she
don't want to be
She don't need to take what she don't want

But the girl don't know
I guess nobody told her
It's a brave new world (Girl don't know)
But the girl don't know
The girl don't know

She don't know that things have changed
See everything's been rearranged
She can be anything she wants to be
She don't need to wear the chains

But the girl don't know (Girl don't know)
I guess nobody told her
It's a brave new world (Girl don't know)
But the girl don't know
The girl don't know

She don't understand what's going on
She don't know why her heart is breaking
She's such a good girl (Good girl)
She can't see
The toll it's taking

She's not a modern girl
She's not a woman of the world
She's such a good girl (Good girl)
She's an old fashioned girl

But the girl don't know (Girl don't know)
I guess nobody told her
It's a brave new world (Girl don't know)
But the girl don't know
The girl don't know
The girl don't know (She's not a modern girl)
Cause everybody loves her (She's not a woman of the
world)
So no one's gonna tell her
How to break the chains (Girl don't know)
