People say hey Ra, whatcha been up to
Whatcha wanna do, let's have some fun
I say no (say no), I can't go
I'm over a barrel and I'm under the gun
Well Monday, Friday go so slow (hey)
Saturday, Sunday something's wrong
I can't sleep (can't sleep)
I can't keep (hey)
Both ends burning this way for long

Working like a dog, it just ain't enough
Working like a dog, oh it's getting rough
There's a man with a whip in his hand
Saying huh, ha, huh
I've got work to do
I've got work to do
I've been working like a dog, does it work for you

Say working like a dog, just can't stop (hey)
Tote that bar, break that rock
All work (all work), and no play (hey)
Is what's makin' me feel this way

Working like a dog, it just ain't enough
Working like a dog, oh it's getting rough
There's a man with a whip in his hand saying huh, ha,
huh
I've got work to do
I've got work to do
I've been working like a dog, does it work for you

I've got work to do
I've got work to do
I've been working like a dog, working like a dog,
working like a dog

Working like a dog, it just ain't enough
Working like a dog, huh, ha
Working like a dog, working in a salt mine
Working like a dog
Working like a dog, it just ain't enough

Working like a dog, huh, ha
Working like a dog, working on a chain gang
Working like a dog, huh, ha
Working like a dog ...
