Do you know yourself?
Or the self that you're just tryna be
Just follow me now, baby
Like I wasn't tryna see, be free

Do you know yourself?
Or the self that you're just tryna be
Follow me now, baby
I show you what you're tryna see

Be free, and let your secrets out for now
We can walk down to the beach
Or we can do it on my couch

Be free, be free, be free, be free
I got it, you want it, you want it, you got it
I got it, you want it, you want it, you got it
I got it, you want it, you want it, you got it
I got it, you want it, you want it, you got it
Be free, be free, be free

Do you find yourself
Wondering what is my disease?
Come with me now, baby
I show you what it's like with me

Be free, and let me help you let it out
We can walk down to the beach
Or we can do it in my house
Be free, be free, be free, be free

Do you know yourself?
Do you know yourself?
Do you know yourself?
