Hey babe, did you wait?
Hey babe
Hey babe, did you wait?
Hey babe

Hey babe, notice me
You can love me too it's okay
And to tell the truth I think it's fine
That you don't know me

It's okay, what's to say
We can get acquainted any day
And to tell the truth, no, I won't mind
Either way

Hey babe, did you wait?
Hey babe
Hey babe, did you wait?
Hey babe, did you wait?

It's you I love, I love
It's you I love, I love
It's you I love, I love, I love
It's you I love, I love

Hey babe, did you wait?
Do you love me or not oh, babe?
But to tell the truth now I won't mind
But you should love me

It's okay, either way
You can love me or walk away
Let me prove that you'll have
A good time if you stay

Hey babe, did you wait?
Hey babe

It's you I love, I love
It's you I love, I love
It's you I love, I love
It's you I love, I love, I love

It's you I love, I love

Hey babe, what you say?
If it's all good then let it be
We'll obviously make use of a good time
But you don't know me

Anyway we'll play safe
Doesn't know, just give it away
I think you and I just spend sometime
Because we're lovely

It's you I love, I love
It's you I love, I love
It's you I love, I love, I love
It's you I love, I love
