I set you off, I set you off
Lie if you want
I get you off, baby

I'm no good, I'm no good
What's so good?
Take one thing that you're lookin' for
Take ten more and I gotta be sure

You and I know we're both crazy
You and I know we're both crazy
You set me off, baby

I'm no good, I'm no good
What's so good?
Take ten things that I'm lookin' for
Take ten more and you gotta be sure
You get me off, baby

You think I'm crazy, I think I'm crazy
I think we should just keep it that way, baby
I think I'm crazy, you think I'm crazy
I think I'mma just keep it that way, baby

You set me off, don't let me off
Don't make me soft
I get you off, don't break me off
I make you soft, lie if you want
I get you off
You set me off, I get you off, baby

You starin' and tossin', again we talkin'
Baby, keep on walkin' in the fishnet stalkin's
You starin' and tossin', secretly watchin'
It's just a love letter baby, that's not stalkin'

Come on, chase me, you can Myspace me
What you think baby? No, you can't hate me
I get you off, I make you soft
I take you off, the life I want, baby
