You forgot to call  
Now she's sleeping without you  
If you thought to call  
She's sleeping without you

I don't want you to call before me  
I don't want you to call before me  
I don't want you to call before me  
I don't want you to call

She's sleeping without you  
Sleeping without you

I want you to fall, fall, fall  
Don't want you to call, call, call  
I want you to fall, fall, fall  
She don't want you at all, all, all

She said uh oh, she said uh oh  
Is it a go?  
She said uh oh, uh, uh oh  
I know it's go  
She said uh oh, uh oh, uh oh, uh oh

You forgot to call now she's sleeping without you  
And I know that you're sleepless  
You forgot to call  
Now she's sleeping without you  
Is it go?

I don't want you to call before me  
I don't want you to call before me

And she ain't thinking about you  
She's sleeping without you

She said uh oh, she said uh oh  
She said uh oh, uh, uh oh  
I know it's go  
She said uh oh, uh oh, uh oh, uh oh  
She said uh oh, uh oh, uh oh, uh oh

That's why she went home without you  
Last night she went home without you
