[Gabriella]

Take my hand, take a breath
Pull me close and take one step
Keep your eyes locked on mine,
And let the music be your guide.

[Troy, Gabriella]

Won't you promise me (now won't you promise me, that
you'll never forget)
We'll keep dancing (to keep dancing) wherever we go
next

(Chorus)

It's like catching lightning the chances of finding
someone like you
It's one in a million, the chances of feeling the way we
do
And with every step together, we just keep on getting
better
So can I have this dance (can I have this dance)
Can I have this dance

[Troy]

Take my hand, I'll take the lead
And every turn will be safe with me
Don't be afraid, afraid to fall
You know I'll catch you through it all

[Troy, Gabriella]

And you can't keep us apart (even a thousand miles,
can't keep us apart)
'Cause my heart is (cause my heart is) wherever you
are

(Chorus)

It's like catching lightning the chances of finding
someone like you
It's one in a million, the chances of feeling the way we
do
And with every step together, we just keep on getting
better
So can I have this dance (can I have this dance)

Can I have this dance

[Gabriella And Troy]

Oh no mountains too high enough, oceans too wide

'Cause together or not, our dance won't stop

Let it rain, let it pour

What we have is worth fighting for

You know I believe, that we were meant to be

(Chorus)

It's like catching lightning the chances of finding

someone like you (like you)

It's one in a million, the chances of feeling the way we

do (way we do)

And with every step together, we just keep on getting

better

So can I have this dance (can I have this dance)

Can I have this dance

Can I have this dance

Can I have this dance
