Troy: It's hard to believe
That I couldn't see
You were always there beside
Me.

Gabi: Thought I was alone
With no one to hold

Both: But you were always right beside me
This feelings like no other
I want you to know

Chorus:
Both: I've never had someone
That knows me like you do
The way you do
I've never had someone
As good for me as you
No one like you
So lonely before
I finally found
What I've been looking for

Gabi: Ohhhh, ohhhh
