Tears from an angel.
(Tears from an angel)
Tears from an angel.
(Tears from an angel)

Tears from an angel I saw last night.
I saw them clouding in her eyes so bright.
Tears from an angel, I was the one;
I hurt the sweet thing that loved me,
Oh what harm I've done.
(Tears from an angel, tears from an angel)

It was a new girl, she just moved to town.
I left my angel to show her around.
Tears from an angel, I was the one;
I hurt the sweet thing that loved me,
Oh what harm I've done.
(Tears from an angel, tears from an angel)

Angel, dear angel, I've hurt you, I know.
Can you forgive me for I love you so?
Tears from an angel, I was the one;
I hurt the sweet thing that loved me,
Oh what harm I've done.

Tears from an angel
(Tears from an angel)
Tears from an angel
(Tears from an angel)
Tears from an angel...
