This time we're really breaking up

This time we said way too much

This times for all time

How about this time

This time there'll be no goodnite kiss

This time is forever

This time I find that I'm

Really loosing you

My heart is broken now

It really doesn't matter anyhow

Now that you're going away

I only live from day to day

This time there'll be no good nite kiss

This time is forever

This time I find that I'm

Really loosing you
