For who you are
And all that you do
We sing the highest praise to you

Come on help me sing

For who you are
And all that you do
We sing the highest praise to you
X2

Hallelujah
Hallelujah
Hallelujah
Is the highest
Hallelujah
Hallelujah
We sing the highest to you

Take it up

For who you are
And all that you do
We sing the highest praise to you

For who you are
And all that you do
We sing the highest praise to you

Hallelujah
Hallelujah
Hallelujah
Is the highest
Hallelujah
Hallelujah
We sing the highest to you

One more time

For who you are
And all that you do

We sing the highest praise to you

For who you are
And all that you do
We sing the highest praise to you

Hallelujah
Hallelujah
Hallelujah
Is the highest
Hallelujah
Hallelujah
We sing the highest to you

Hallelujah
Hallelujah
Hallelujah
Is the highest
Hallelujah
Hallelujah
We sing the highest to you

Hallelujah
Hallelujah
Hallelujah
Is the highest
Hallelujah
Hallelujah
We sing the highest to you

Can we do what Psalms says right now?
We gon' let the music do the talking
And what I want you to do, while this is playing,
Is get your praise on.
