(Say love)

Love

(Say love)

Love

(I love you)

I love you

(I love you)

I love you

Think of your fellow man

Lend him a helping hand

(Put a little love)

Put a little love in your heart

You see it's getting late

Oh, please don't hesitate

(Put a little love)

Put a little love in your heart

And the world will be

A better place (3x)

For you and me

Just wait and see

(Tell everyone that you know

That hatred's got to go)

(Put a little love)

Put a little love in your heart

(Tell everyone around the town

Tell 'em what's going down)

(Put a little love)

Put a little love in your heart

And the world will be

A better place (3x)

For you and me

Just wait and see

(Clap your hands everybody) (2x)

I love you

Put a little love

Put a little love

Down in your heart (2x)

Put a little joy

Put a little joy
Down in your heart
Put a little hope
Put a little hope
Down in your heart

Put a little love (2x)
Love, love
Joy, joy

Joy, joy
Joy, joy
Joy, joy
