You fell in lotsa love and caused lotsa hate  
You've heard every line before  
You get a lotta looks at your pretty face  
& everywhere else I'm sure

You've had your share of flowers and even wedding  
cakes  
Enough diamond rings to start a store  
Lotsa people callin' you a bad mistake  
You always find the time for just one more

But I'll run a thousand miles away  
& smile a hundred smiles a day  
& count the million ways that I won't  
Miss your head games, all your head games, all your  
head games

& It'll Take More Than A Band-Aid  
To Fix your Broken Heart

When you lose your looks, when you lose your bait  
When you find yourself alone  
Just remember the time, just remember the place  
I took a piece of your soul

I'll take it a thousand miles away  
& smile a hundred smiles a day  
& count the million ways that I won't  
Miss your head games, all your head games, all your  
head games

& It'll Take More Than A Band-Aid

I fell in lotsa love and caused lotsa hate  
I've heard every line before

We'll take it a thousand miles away  
& smile a hundred smiles a day  
& count the million ways that we won't  
Play head games, we won't play head games, we won't  
play head games,

& It'll Take  
More Than A Band-Aid To Fix your Broken Heart
