[Master P]

Check this out boo

The only thing that matters is if you happy and I'm  
happy

You know what I'm saying?

We know this real ghetto love

After the fronting and fighting,

That's where the love making begins real good baby

But our friends aint our friends

Your mama in our businessn your sister in our business

The media in our business

These motherfuckers don't understand

Chorus: (Charlie Wilson)

You said your a friend of mine, it turned out you  
crossed the line

I forgive you I don't know why, you said your a friend of  
mine

You said your a friend of mine, it turned out to be a lie  
I forgive you I don't know why, you said your a friend of  
mine

[Master P]

Call the cops for nothing, all the jumping and stunting  
It should be kissing and hugging, I mean loving and  
rubbing

I'm on your team, your on my team, I'm your king, you  
my queen

I'm the ice you the cream, but your friends love the  
scheme

Even I told you you was special, see these hoes will  
sweat you

The niggas will wet you, but the ghetto is pressure

No more fighting in front of the kids, it's time to live big

Build a family tree of figs, and let the haters dig

You my rose I'm your flower, I think about you ever hour

Keep them hoes out our business if you need me just  
holla

Chorus: (Charlie Wilson)

You said your a friend of mine, it turned out you  
crossed the line  
I forgive you I don't know why, you said your a friend of  
mine  
You said your a friend of mine, it turned out to be a lie  
I forgive you I don't know why, you said your a friend of  
mine

[Snoop Dogg]

I tell you all my problems, share my deepest secrets  
with ya  
Hit ya on the side, girl you down to ride  
I feel so safe with ya, get cha what you need  
A condo in the valley with the keys, palm trees, jet skies  
Fly you over seas, it's silly how we did it  
Really we committed  
I'm dippin out the studio with the too faking  
My heart just uh aching, while I'm shaking and snaking  
You tell me take a chance so I dance with the devil  
I kiss you on the cheek, and now we sneak into the  
bedroom  
Tossing and turning, burning, yearning for love  
And you supposed to be in love with my young cuz  
What's love got to do with this?, and it's all based on  
friendship  
Ain't that twisted, somebody told my boo and I think it  
was you  
Had to be cause I aint heard from you or seen you, so it  
must be true

Chorus: (Charlie Wilson)

You said your a friend of mine, it turned out you  
crossed the line  
I forgive you I don't know why, you said your a friend of  
mine  
You said your a friend of mine, it turned out to be a lie  
I forgive you I don't know why, you said your a friend of  
mine  
You said your a friend of mine, it turned out to be a lie  
I forgive you I don't know why, you said your a friend of  
mine  
You said your a friend of mine, it turned out to be a lie  
I forgive you I don't know why, you said your a friend of  
mine
