I came in the world one summer day
I was like no one else, I was like nobody before
Do this, do that, think this way
Read this, watch this, then do this and that some more

Create Me 3x

Wear this, say that, walk this way
If you want pretty ladies knockin' at your door
Wear this, say that, walk this way
If you want an office on the top floor

Create Me 3x

Live here, drive this think this way
Watch your t.v., your sitcoms and your sports
Believe everything in the paper today
Believe the magazines and the news reports

Create Me 3X

You might start wonderin' one day
You might start to wonder, wonder, wonder, wonder...

I said you might start to wonderin' one day
You might start to wonder, wonder, wonder, wonder
You might start wonderin' this... this

This, this, this, this, this, this, this, this, this, this,
this, this, this

Where should I go on Sunday?
How should I act on Monday?
What should I pretend on Tuesday?
How should I look on Wednesday?
Who should I talk to on Thursday?
Where should I drink on Friday?
Who should I visit on Saturday?
I'll think for myself one day,
I'll follow my dreams one day
I'll figure it all out one day

Oh my my my my
Oh my mind my mind
Oh my my my mid
Oh my mind my my
